DROWNED AT AUGUSTA.

Captain W. L. Thomas, a Veteran River Man, Meets Death.

Captain W. Lemmon Thomas, aged 60, a veteran river man, was drowned at Augusta Wednesday afternoon at 5 o'clock while crossing to his home in Ohio.

He was crossing with the United States mail in a skiff when a huge wave struck the boat and tossed it high in the air and threw him out. His body has not been recovered.

The skiff was found yesterday morning seven miles below, at a point called Rural, O. The boat was perfectly dry inside and the mail was in as good condition as when given into Captain Thomas's possession.

He started for his trip against the protest of his friends, who realized the dangerous condition of the river.

CHUNN—MILES.

Last Sunday's issue of The Chattanooga (Tenn.) Times had the following of the Chunn—Miles wedding, the groom being a son of Mr. and Mrs. Samuel B. Chunn of West Third street:

One of the most pleasing home weddings of the season was that of Miss Queen Miles and Mr. Thomas Reed Chunn, which occurred at the residence of Mr. and Mrs. Joseph W. Clift at Orchard Knob on Thursday evening.

The house was beautifully decorated for the occasion and the elegant parlor, dining-room and front hall were thrown together for the accommodation of those who were to witness the happy event.

A large wedding bell of bride's roses was suspended from the ceiling of the front parlor, where at 8:30 the wedding ceremony was most impressively performed by Dr. J. W. Bachman of the First Presbyterian Church.

Delightful music was furnished throughout the evening by Saffer's Orchestra.

Seldom has a more handsome couple been seen than were Miss Miles and Mr. Chunn as they presented themselves before the officiating Minister. The bride who is noted and loved for her charming voice and her sweet and happy disposition, was radiantly beautiful. She wore a traveling dress of gray cloth and carried a shower bouquet of bride's roses and lilies of the valley. The good wishes of her numerous friends was evidenced by the fact that she received many elegant presents, notwithstanding the circumstance that no formal wedding invitations were issued, and that only the immediate family of the bride and a few of the most intimate friends of the bride and groom were present.

Immediately after receiving the felicitations of their friends and partaking of elegant refreshments, which were served under the gracious direction of Mrs. Clift, Mr. and Mrs. Chunn left, by way of the Southern, for a trip East.

They will be at home after their return at 606 Georgia avenue.

NO CAUSE FOR ACTION.

Court of Appeals on Suit of Henry vs. Secret From Nicholas.

The Court of Appeals Tuesday reversed the judgment of the Nicholas Circuit Court in the election case of F. B. Henry, Chairman of the Democratic County Committee, against E. J. Secret.

The appellee was a candidate for the party nomination for Assessor and was defeated by six votes.

He asked the Committee to open the ballot boxes, and, on the refusal to do so, sought a mandatory injunction against it. The answer of the Committee denied the jurisdiction of the Court and averred that no contest had been instituted by Secret.

The lower Court granted the injunction prayed for. The Court of Appeals, in reversing the judgment of the Nicholas Circuit Court, says that the petition states no cause of action, and that the Court had no authority to grant the injunction in the absence of a contest by the appellee.

THE Adams County (O.) Record is not only the neatest but it is one of the newest weeklies that comes to this office. And then its editorials are pure wool and umpteen feet wide.

IN an opinion reversing a decision of the Iowa Supreme Court, Justice SHIRAS of the Supreme Court of the United States holds that state laws for the regulation of State Banks cannot be applied to National Banks. How many more times must the little state Courts be taught that Uncle Sam is boss of the whole job in this country?

THE Editor of The Fleming Gazette recently disciplined Editor WYATT of The Ewing "Inquirer" for one of his misfit big words; and the way Br'er WYATT gets back at him is enough to make his teeth rattle. Hear him, verbatim—

"The word 'refine' used in the columns of our paper last week seems to have struck a cord of myth, if such thing exists in the sanctum of The Gazette and another gentleman, was much elated, who, to our knowledge never attended 'scule more an a day in his hole life' and knows no more of the 'English' than a pet pup. We did not look the word up, and while it is from re and tenco, to hold, it was not the word we wanted, yet the application is all right, for it is always the 'train of persons,' the following of one who is 'raised in office' that is more of sench in the nostrals of the people than the real office holder."

Br'er WYATT's only mistake was in not calling The Gazette man a pectinibranchiate gastropod and delphinoidean cetacean devoid of postfrontosquamosal hymenopters, dwelling in an aborescent atmosphere with dilamboden insectivores. This certainly would have struck a "cord" of "myth," and created a big "sench" in the "nostrals" of everybody. Besides, it would have made his statement more easily understood.

THE Ministers of Louisville have organized a crusade against the frequency of saloon murders and the encroachments of so-called "criminal lawyers" in that city. A similar movement might do some good in Maysville.

THE recent action of Mr. J. PIERPONT MORGAN to divide certain profits of the Steel Trust among the 168,000 officers and employees of the big concern, doesn't suit Mr. HENRY GEORGE, Jr., the socialist son of his pa. Mr. GEORGE is a chronic stomach-acher. He can see no good in anything except his own wild and woolly theories, and there isn't a penny for the workingman in any one of them. Besides it is doubtful if in all his life he ever gave six days employment to a mechanic.

THE "confession" of YOUTSEY, as published recently by The Courier-Journal, contained this—

"YOUTSEY said that he told Senator DEBOE of the plan and that DEBOE said:

"That is unnecessary. The Legislature will seat TAYLOR."

"YOUTSEY told Dr. W. R. JOHNSON what DEBOE had said, and JOHNSON said:

"G—d—DEBOE! Don't pay any attention to him. Talk to TAYLOR. He's the man."

When Senator DEBOE's attention was called to YOUTSEY's statement he said—

"That statement is absolutely without foundation. There is not a word of truth in it."

Dr. JOHNSON has not been heard from; in the meantime the Goebel papers are knee deep in YOUTSEY's statements, despite the warnings of Judge CANTRILL.

SECOND THE MOTION.

Ashland Independent.

A sixteen-year-old boy up at Huntington bought a \$2 revolver and was carrying it around to protect himself. About two hours after the purchase he accidentally shot his companion, a young man of 20, and the wound was so serious that he died a few hours later. In reading the details one is inclined to believe that it was nearer murder in cold blood than accidental shooting. The fool who deliberately places a gun against a man's head and pulls the trigger, and then comes out with the plea, "I didn't know it was loaded," ought to be hung on general principles, if for no other reason.

SOUND AS A DOLLAR

That is the result of a course of treatment with Scott's Emulsion. We have special reference to persons with weak lungs and sensitive throats.

Scott's Emulsion does some things better than others. This is one of them. It has a peculiar action on the throat and lungs which gives them strength and makes them tough.

That's how Scott's Emulsion drives out coughs, colds and bronchitis. It keeps them out, too.

We'll send you a little to try, if you like.

CUTICURA PILLS

For Cooling and Cleansing
the Blood and Skin

In Cases of Itching, Burning,
Scaly Humours,

And for Renovating and Enriching the Blood.

The Best and Most Economical
Yet Compounded.

Cuticura Resolvent Pills (chocolate coated) are the product of twenty-five years' practical laboratory experience in the preparation of remedies for the treatment of humours of the skin, scalp and blood, with loss of hair, and are confidently believed to be superior to all other alternatives as well as liquid blood purifiers, however expensive, while enabling all to enjoy the curative properties of precious medicinal agents without consuming needless expenses and often injurious portions of alcohol in which such medicines have heretofore been preserved.

Cuticura Pills are alterative, antiseptic, tonic and digestive, and beyond question the purest, sweetest, most successful and economical blood and skin purifiers, humour cures and tonic-digestives yet compounded. Medium adult dose, one pill.

Complete external and internal treatment for every humour may now be had for one dollar, consisting of Cuticura Soap, to cleanse the skin, Cuticura Ointment, to heal the skin, and Cuticura Resolvent Pills, to cool and cleanse the blood. A single set, costing but one dollar, is often sufficient to cure the most torturing, disfiguring skin, scalp and blood humours, eczemas, rashes, itchings and irritations, with loss of hair, from infancy to age, when physicians and all other remedies fail.

"THE MINISTER'S SON" TONIGHT.

The beautiful pastoral play, "The Minister's Son," met with an enthusiastic endorsement at the hands of local theater-goers when presented here last season.

Mr. W. B. Patton still assumes the role of Simon Ray, The Minister's Son, a part in which he has achieved one of the most pronounced successes of recent years. The company is said to be even better than on its former visit, at which time it seemed beyond criticism. Seats now on sale at George Frank & Co.'s.

WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small per cent. of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

- (1) Relieves the cough.
- (2) Makes the breathing easy.
- (3) Cuts out the phlegm.
- (4) Draws out the inflammation.
- (5) Kills the germs (microbes) of disease.
- (6) Cleanses the mucous membranes.
- (7) Clears the head.
- (8) Relieves the feverish conditions.
- (9) Removes every cause of the cough and the strain on the lungs.
- (10) Enables the lungs to contribute pure life-giving oxygen to the blood. Cures Croup and all Cough, Lung and Bronchial Affections.

CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption unless I could get a good doctor taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live 'dead woman.' One Minute Cough Cure wanted me."
